

Adrienne

Where do you come from, where do you go?
Decision where not that easy, but you always took it slow.
If I could just for a moment, turn back the time,
to say the things left to say, to be with you for a while.

Chorus:

Adrienne, I lost my faith that day,
I couldn't realize what happens to me.
Adrienne, I wish you where here now,
I couldn't say I, I couldn't say
I love you.

Things have changed, since these days,
not believing in the truth, standing on your grave.
Life become senseless, in a dark deep hole I fell in
life become hopeless, hopeless and mean.

Chorus:

Solo:

One wish one call, one wish one call,
one wish one call, one wish one call.
One wish one call, I wish to fall
One wish one call, I wish to fall
One wish one call, I wish to fall
One wish one call, I wish to fall.

Chorus:

Solo:
