

On the road again

To much wind in our face
we can't see the road no more.
And so many people feel disgraced
we cant be sure, to make it someday.

If I get money for every mistake
How rich would I be?
So I'm here, surviving my days
I'm trying not to go down.

Bridge:

Only a cent for my life with you,
If it is to much, what would I do, honey.

Somewhere out there over the sea
They keep on talking about things I don't know
It doesn't matter in what we believe
It's just the open road we go

So keep on driving, keep on singing
My old song of love and peace.
Wasting time, till the end of our life
until the line of life will sleep.

Refrain:

Only a chance for a life in truth, oh yeah
Only a day with a wide open sky.
And some good old song is, on my lips
Destiny in my hand, what more can I pretend.

Solo:

Refrain:

4x On the road again
