

# Writing A Song

I'm sitting in the darkness, and my heart is so heavy  
watching out in a white room.

I try to write a song, I don't know what's the story  
so many things are in my head.

## **Bridge:**

I write and write and write  
But it's just a crazy song on the white

## **Refrain:**

I can do what I want, my brain is chained,  
I can do what I want, filled only with you.  
I can do what I want, my heart is crashed  
I can do what I want, it's only, a love song for you.

Deep in space I'm sitting, in my little shuttle, and I'm thinking of you.  
Brown and hot my coffee, I am stare into him.  
You look at me from my blue cup.

## **Bridge:**

I'm writing, writing and I'm writing, writing  
Only a love song, for you.

## **Refrain:**

Come take my love and let me be your lover  
come take my love and, show me your way.  
Come take my heart and let love you  
don't smash it down, I write a song, only for you.

## **Solo:**

## **Refrain:**

I'm sitting in the darkness  
I try to write a song  
I write and write and write.
