

Your Love Is

Sometimes when I am weary
when the life is hard to stay.
I remember what your book tells me
love can be found upon my way.

It never end your saving love
that promise me your word.
The only thing that I can do
is staying close to you.

Chorus:

Father your love is for a lifetime
you give me hope and peace
you're always and forever
your love will make me free
will make me free.

You show that life is easy
I just hold onto you.
Can always feel your love in me
you'll never let me go.

Now I am going forward
that's the way for me to go.
And you are right in front of me
that's all I want to know.
